

**MEDI-CAL POPULATION
BY COUNTY
AS OF JULY 2009**

Analytic Notes

Data Source

Counts are based on data obtained from the MEDS Eligibility System, MMEF File. The universe of users of services reported in these tables is comprised of certified Medi-cal beneficiaries. Certified beneficiaries are those individuals enrolled in Medi-Cal without an unmet share of cost obligation. The reports do not include enrollment for recipients of FPACT family planning services or maternity care provided under presumptive eligibility.

Beneficiaries usually are eligible for Medi-Cal before the eligible month. However, a significant percent of all eligibles become eligible retroactively, for instance, due to meeting share of cost requirements and late Medi-Cal applications (e.g., after medical costs are incurred). The effect is a significant growth in eligibility counts after a given month of eligibility. Enrollment counts reported here reflect a 12 month reporting lag. This means that all enrollment information has been updated at least 12 months following the actual month of enrollment to account for retroactive eligibility.

Data in some tables have been aggregated to comply with the California Welfare and Institutions Code, section 14100.2, and the HIPAA Privacy Rule, 45 CFR, Parts 160 and 164, which are designed to safeguard Protected Health Information and Personal Confidential Information.

Definitions

Managed Care Risk Status

Managed Care Risk Status indicates whether the beneficiary is enrolled in a Managed Care plan versus Fee-For-Service. Managed care enrollment is defined as a beneficiary being enrolled in a full risk plan where a capitation has been paid and the health care plan assumes responsibility for all services to the beneficiary. Partial and no risk enrollment types are considered Fee-For-Service. Partial risk plans receive a capitation for beneficiary enrollment and assume responsibility for a limited set of services to the beneficiary. No risk means that there is no capitation paid, the beneficiary is not enrolled into a managed care health plan, and the beneficiary's claims are paid via Fee-For-Service.

**NUMBER OF BENEFICIARIES
