Senior Services Coalition of Alameda County

PLEASE RENEW YOUR MEMBERSHIP TODAY

August 12, 2014

Dear Wendy,

Increased funding. Better policy. A voice at the table where decisions are made. These positive outcomes are the result of the Senior Services Coalition's work. This is the impact that all of us, together, can have.

Whether SSC's successes benefit your organization directly with increased dollars, or indirectly by stabilizing the network of community services, I hope you'll agree that we've demonstrated the value of our work.

This coming year we have our work cut out for us. The Coalition is needed now more than ever, and we need you, your organization's membership, and your dues. I encourage you to read our [Annual Membership Letter](#) for more details on what we've accomplished and what we have to do.

Please renew your membership today. It's easy to do by mail using the [Membership Renewal Form](#), or online at SSC's [web site](#). Just follow the instructions, selecting the dues level that fits your organization.

Your member dues help support the staffing infrastructure that allows SSC to track policy developments and respond to emerging opportunities. By renewing your membership in SSC, you will make our work in the coming year possible.

With Appreciation,

- Wendy
