

Senior Services Coalition FY 2023/24 Dues-Exempt Membership Form

SSC welcomes the membership of Commissions, and maintains a seat on our Steering Committee for a representative from a Senior Commission/Commission on Aging. We understand that such Commissions rarely have budgets that accommodate even modest dues fees, and so we exempt Commissions from having to pay membership dues.

To begin or renew your Commission’s dues-exempt membership, please fill out the information below and return it with a copy of the resolution or minutes documenting that your commission or board approves of membership in the Senior Services Coalition of Alameda County.

1. Fill out the following information:

Organization: _____

Mailing Address: _____

Primary Contact Person: _____

Phone/Fax: _____ / _____

2. Ratify your organization’s SSC Membership for FY 2023-24:

At the appropriate meeting of your organization, please propose and pass a resolution or vote to confirm that your commission or board approves of membership in the Senior Services Coalition of Alameda County. Then document this in a resolution or in the meeting minutes.

3. Return form and copy of resolution or minutes to wendy@seniorservicescoalition.org.
